

Cleveland Clinic Science Internship Program

Attention - High School Students

Is your passion science, math or the arts?

Start Changing Your Future This Summer

- ✓ Are you considering a career in healthcare?
- ✓ Are you a current 10th or 11th grade high school student?
- ✓ Is your GPA 3.5 or better on a 4.0 scale?
- ✓ Will you be 16 years old on or before June 1, 2012?

The internships are structured, 9-week, paid summer learning experiences that requires participating high school students to work 40 hours each week alongside assigned Cleveland Clinic healthcare professionals as part of a team in real life work environments.

Interns can earn college credits at participating local colleges and universities.
